Cards for Scholarships

MWC Notecard and Postcard Fundraiser

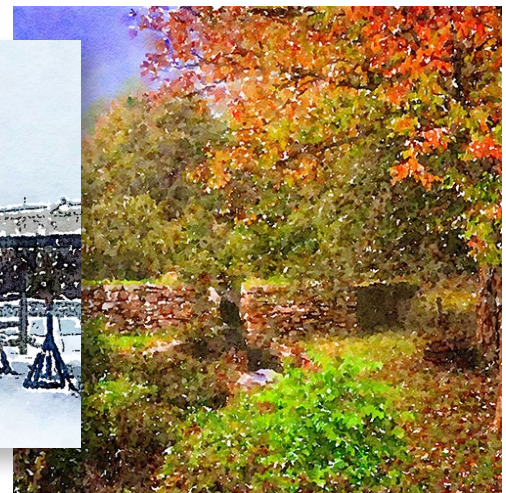

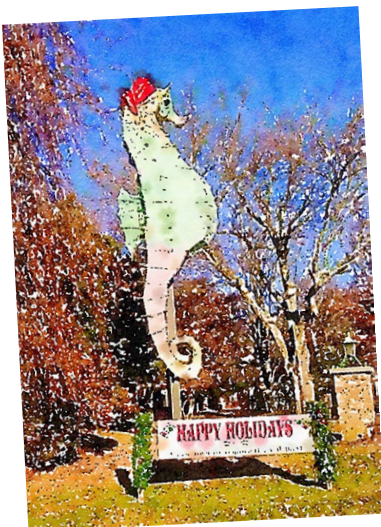

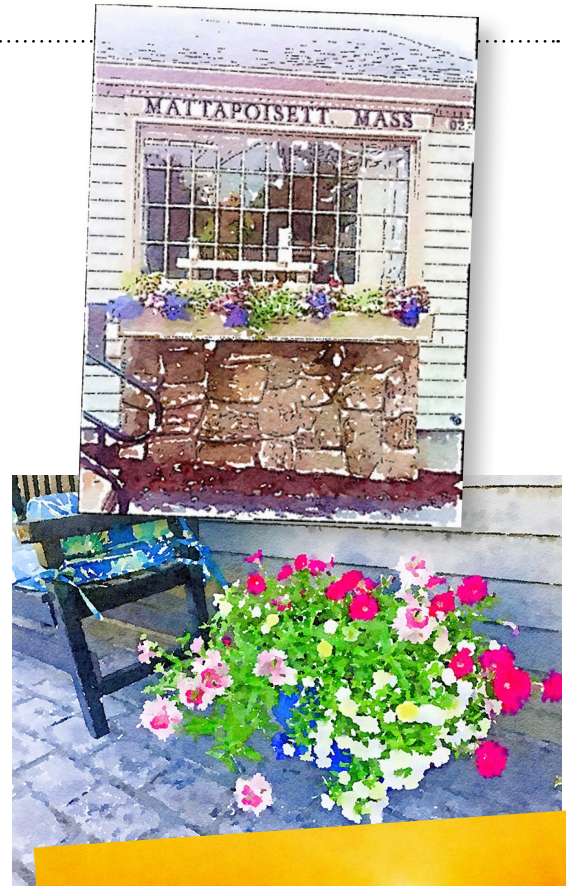

The Card Committee is feeling a bit puffy proud of the work they've done in creating and selecting photos that have been re-designed as watercolors to create stunning notecards and postcards. Two notecard assortments of four images, flowers or local scenes, are available for \$10. The assorted postcards are packaged as six for \$10. Eventually, we hope to place the cards in our local shops. All profits will fund MWC scholarships.

To order notecards and postcards please send an email to: info@mattapoissettwomansclub.org

Members can request delivery.

Many thanks to the MWC photographers who submitted: Elaine Bothelho, Carole Clifford, Karen Gardener, Sandy Herring, Marianne Hickey, Peg Olney's granddaughter (Caroline), Cindy Turse, Laura von Zweck, and at least two husbands. We weren't able to credit individual photos or use all that were submitted, but we encourage future submissions. Please email photos to Cindy - mahina@turse.org.

Spurred by the enthusiasm of people who purchased postcards and notecards in MWC Collection 1, the Card Committee is continuing to evaluate the watercolors created from fall and winter photos. Acting on requests, the committee is also considering offering bulk purchases of single designs. Salty, the harbormaster boat, and the stone bridge have been high on the list of requested images. Here are previews of possibilities.

PRESIDENT'S LETTER

WISH

The weeks go by, the fourth, the fifth,
And normalcy's become a myth,
I want to hug, I want to hold,
I want this deadly scourge controlled.
I want to walk amidst a crowd
I want to lift this morbid shroud.
I sit, sequestered in my home,
And yearn to mingle, travel, roam.
My energy is out of whack —
I want my normal problems back.

~ Erika Fine
Brookline, Mass

Dear Club Members,

Boy, don't we all feel this at sometime... I want the old normal back! Yet, here we are... still remote... still zooming. Yet, we have moved forward in so many new ways we can all feel proud of ourselves. Our fundraising activities are still energized with new activities.

- Daffodil bulbs have sold out!
- Postcards and notecards are being sold at a record pace
- Holiday wreaths and decorations are proceeding as planned
- Fashion show for the spring is still in our plans!

Group activities are also energized... Garden group, Recruitment/Retention, Remembrances, Literature Club, Knitting and Scholarship are continuing to meet and plan. We have used the nice weather and the Lighthouse to hold informal meetings, and just today distributed the Blue Books at that site. It was so great to see many members and chatting with all.

So in closing... STAY SAFE AND WELL!

Carole Clifford
President, MWC

P.S. All the Blue Books have been delivered thanks to Lois Ennis and Betty Parker. A HUGE shout out to Lois Ennis for all her hard work and determination to produce those Blue Books. We owe her many thanks.

Presidential Requests!

1. Please send a selfie to [Marie Rottler](#) or Mary O'Keefe for the directory!
2. Please send me ideas for an activity in November or December!
3. Please, please someone step up to be vice president of the MWC for the future of this club.

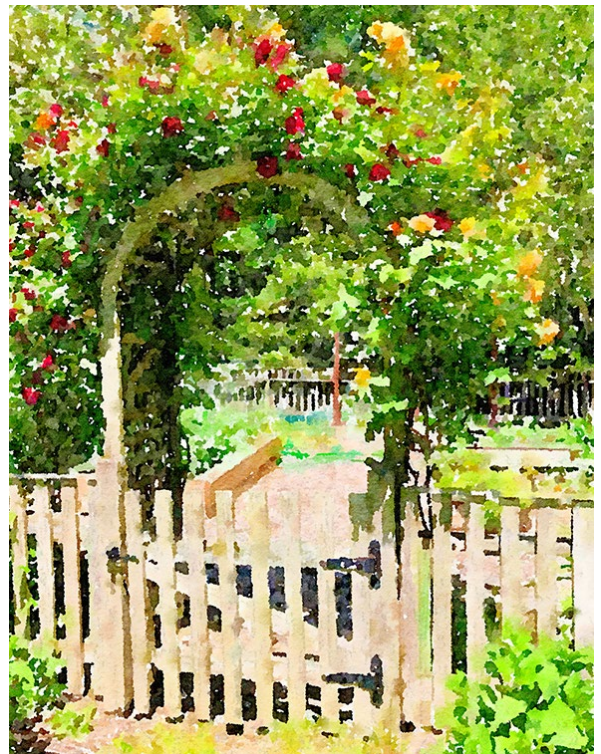

MEMBER TO MEMBER

We care about how everyone is doing in this difficult time, so the Executive Board is asking that each group (Garden, Knitting, Literature, Bridge) check on their members and see if anyone needs assistance.

Even if people don't, a phone call is always welcome.

Thanks for caring to do this!

October 8th Mattapoissett Woman's Club Executive Board Meeting Summary

Sherry Hoines, Recording Secretary

The Executive Board meets on the Second Thursday of the month to discuss fundraising events, various projects we are working on and ideas to retain as well as increase membership. As this is a very unusual year due to the pandemic and we are unable to get together as a group on a regular basis, we've decided to publish a summarized version of our meeting in "Ladies Choice" as a means of keeping the members up to date with what's going on in the club.

"Amended Taste of the Town," our first Fund Raising endeavor this year netted about \$1,100 for our Scholarship Fund. Some of the other Fundraising Events we are working on include:

Bulb Sale - The Garden Group is in the process of packaging daffodil bulbs to sell similar to what we did last year. They will be sold in packages of 25 for \$10.

Hathaway Painting - Brad Hathaway donated one of his wife Priscilla's paintings to our club. Priscilla was a MWC member for many years. We have formed a committee that is working on an auction to raffle the painting and any other craft items that our talented members wish to donate.

Wreath Sale - The Garden Group has been diligently working on a Holiday Wreath Sale. The sale will be conducted on December 5th (December 6th Rain Date) at Bowlmor. Beautifully decorated wreaths, door swags and greens arrangements will be sold.

Card Sale - A Committee has been created to work on a project to create notecards and postcards decorated with flowers and various scenes in and around Mattapoissett. They are ironing out the final details and expect the sale to begin shortly. Note Cards will be sold in packs of 4 for \$10 and Post Cards will be sold in packs of 6 for \$10.

We also discussed an Amendment to the By-Laws which will remove the Auditors from the Executive Board and make them a Standing Committee.

Lastly, updates to this year's Blue Book have been made to reflect current membership, Committees and By-Laws. They are in the process of being printed and should be ready for distribution shortly. Lois will have a spot at Ned's Point where members can drive up in their cars and receive a Blue Book.

Member Request:

Donations of Pampas Grass needed!

Jen Shepley will be spending time this winter making arrangements for her niece's wedding in 2021!

Jen specifically needs Pampas Grass. Beach plumes will not substitute. (She's tried them already!) If you are cutting back your Pampas Grasses, Jen will gladly pick them up or you can drop them off at her office at 55 County Road, Mattapoissett.

Jen Shepley (508) 322-3210

October MWC Meeting

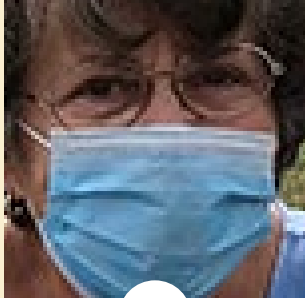

Second monthly meeting at Ned's Point where around 16 members were able to enjoy each other's company in a truly special location. Prior to the meeting, several ladies were on hand to package up our second order of Daffodil Bulbs. This was a very well received fundraiser to support our Scholarships for local students.

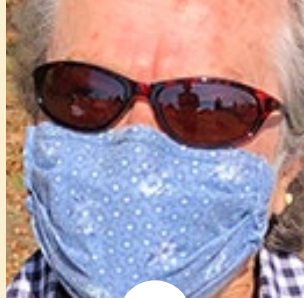

Who's Behind the Mask?

Here are four MWC masked members. *Can you tell who they are?*

The answer to who these Mystery Ladies are is included on last page in this issue.

Don't Forget Your Flu Shot!

Now is the time to get your shot before flu season begins. Reminders to get a flu shot have bombarded most of us, and it was a topic of discussion at our Ned's Point gathering. Antibodies develop about two weeks after getting the shot and provide protection for approximately six months. The CDC recommends that people get a flu vaccine by the end of October.

If you are a member of Southcoast Health, you can get the flu shot by scheduling an appointment with your primary care provider. Flu shots have also been available at Walgreen's, CVS, and the Stop & Shop Pharmacy.

Facebook Birthday Fundraisers Update

The Mattapoisett Woman's Club is at fullstop when it comes to creating fundraisers on Facebook as a non-profit organization. Although we are a non-profit, we aren't a 501(c)(3) and there's no workaround. So if our lovely members would like to donate to the MWC Scholarship Fund, they can be very creative and fundraise on their own, or sell some of our gorgeous notecards and postcards to friends and family (winter ones are in the design phase), or send in the money saved from not having a spring luncheon at The Inn. Members can donate at any time. It would be wonderful if we could give four scholarships again this year --- definitely a year of special needs.

Here's part of the statement on Facebook - *Requirements for nonprofits based in the United States be a 501(c)(3) organization registered with the IRS.*

The Blue Books have arrived!

Members were asked to drive by and pick up their books. Each lady was given a cookie and teabag to enjoy at home while perusing their Blue Book. The cookie and tea was a very creative gift from our president, Carole. Also available was the opportunity to park and come shop for our newest fundraiser - Notecards and Postcards. These beauties have beautiful watercolor images of various places around Mattapoissett.

GROUPS SCHEDULES & INFORMATION

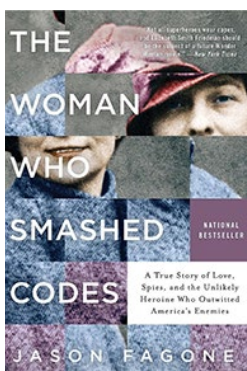

Literature Group

Wednesday, November 11, 10:00 am
115 North Street (Myra Hart's back yard)

The Literature Group will meet on Wednesday, November 11 at 10 am in Myra Hart's back yard, 115 North Street. If the weather doesn't cooperate, it will be a Zoom meeting and the link will be sent by email. The discussion book for November is *"The Woman Who Smashed Codes"* by Jason Fagone. Our December book is *"Why Read Moby Dick"* by Nathaniel Philbrick. All are welcome to join us.

Peg Olney
*Literature Group Chair,
Ladies Choice Editor
1998 - 2018*

Joining the ranks of Hidden Figures and In the Garden of Beasts, the incredible true story of the greatest code-breaking duo that ever lived, an American woman and her husband who invented the modern science of cryptology together and used it to confront the evils of their time, solving puzzles that unmasked Nazi spies and helped win World War II.

*In 1916, at the height of World War I, brilliant Shakespeare expert Elizebeth Smith went to work for an eccentric tycoon on his estate outside Chicago. The tycoon had close ties to the U.S. government, and he soon asked Elizebeth to apply her language skills to an exciting new venture: code-breaking. There she met the man who would become her husband, groundbreaking cryptologist William Friedman. Though she and Friedman are in many ways the "Adam and Eve" of the NSA, Elizebeth's story, incredibly, has never been told. In *The Woman Who Smashed Codes*, Jason Fagone chronicles the life of this extraordinary woman, who played an integral role in our nation's history for forty years. After World War I, Smith used her talents to catch gangsters and smugglers during Prohibition, then accepted a covert mission to discover and expose Nazi spy rings that were spreading like wildfire across South America, advancing ever closer to the United States. As World War II raged, Elizebeth fought a highly classified battle of wits against Hitler's Reich, cracking multiple versions of the Enigma machine used by German spies. Meanwhile, inside an Army vault in Washington, William worked furiously to break Purple, the Japanese version of Enigma—and eventually succeeded, at a terrible cost to his personal life.*

*Fagone unveils America's code-breaking history through the prism of Smith's life, bringing into focus the unforgettable events and colorful personalities that would help shape modern intelligence. Blending the lively pace and compelling detail that are the hallmarks of Erik Larson's bestsellers with the atmosphere and intensity of *The Imitation Game*, *The Woman Who Smashed Codes* is page-turning popular history at its finest.*

GROUPS SCHEDULES & INFORMATION

Knitting, Crocheting, Needlepoint and More!

With the arrival of colder weather, the meetings at Ned's Point on Mondays or Wednesdays will be stopping. If we are still Social Distancing in the spring, Marie will let the members of the group know if we are starting up again.

Marie Rottler
*Knitting Chair,
Website*

Zoom Meetings for November and December, will not be held on the fourth Thursdays, as they conflict with Thanksgiving and Christmas. If any members of the group are interested in connecting, please send [Marie an email](#) with some suggested alternative dates. Maybe we can find a different day and time to all connect.

Food for the Soul

This is a recipe that Peg Olney is famous for. It has been enjoyed at some of our meetings in the past. It brings to mind one of those meetings which was at Lee Yeaton's home.

Fanny Farmer Tomato Soup

- 1 can (35oz.) plum tomatoes
- 1 pint water
- 1 slice of yellow onion, chopped
- 1 bay leaf
- 4 whole cloves
- 12 peppercorns
- 2 teaspoons sugar
- 1 teaspoon salt
- 1/8 teaspoon baking soda
- 2 tablespoons butter
- 3 tablespoons flour

Put first 9 ingredients in pot, cook 20-30 minutes, chopping the tomatoes as you stir. Strain. In a separate pot, melt the butter, add flour and cook to make a roux. Add tomato mixture and cook, stirring until blended.

Serve to friends!

GROUPS SCHEDULES & INFORMATION

Garden Group

We had over 20 of us on a Zoom call for our October Meeting last month, where Sharon Doyon demonstrated how to make bows. In November, we won't be meeting via Zoom, **but anyone, meaning anyone** in the MWC who wishes to come to Erin Burlinson's Barn on November 4th from 10 AM to Noon can stop by, pick up pine cones or ribbon and supplies to wire pine cones or make ribbon loops on your own, in your home. Instructions will be given, and of course, wear your mask.

Sign Up Sheets for various tasks for the **Holiday Greens Sale Pop Up Event** will be there as well, or you can email Sandy after reviewing them here in Ladies Choice on pages 20 and 21. The tasks are listed on the sheets and the number of volunteers that we need are represented by the number of blank spaces for names. So, for example, Decorate Post Office has 2 lines for the 2 people who will work on this. Another task is listed as "Design in Barn" and this means decorate wreaths, or make swags, or design arrangements. There are 6 lines for each time slot so that we will not have more than 6 people in the Burlinson's barn at any time. So mark your calendar for the pick up supplies on November 4th and review your schedule to volunteer. All events will be with social distancing, masks, and good common sense. Thank you to all who supplied materials for the Wreath Sale. We now have enough supplies, containers and such. The only thing which we are still looking for are locations that we can carefully prune evergreens for our arrangements and such. In particular, boxwood is one of the greens we are looking for, as well as cedar, holly and pine. Please contact Sandy if you have any of these available.

What does Love mean to 4-8 year old kids?

Slow down for a few minutes to read this...

A group of professional people posed this question to a group of 4 to 8 year-olds, 'What does love mean?' The answers they got were broader, deeper, and more profound than anyone could have ever imagined!

"When my grandmother got arthritis, she couldn't bend over and paint her toenails anymore... So my grandfather does it for her all the time, even when his hands got arthritis too. That's love." Rebecca - age 8

"When someone loves you, the way they say your name is different. You just know that your name is safe in their mouth." Billy - age 4

"Love is when a girl puts on perfume and a boy puts on shaving cologne and they go out and smell each other." Karl - age 5

"Love is when you go out to eat and give somebody most of your French fries without making them give you any of theirs." Chrissy - age 6

"Love is what makes you smile when you're tired." Terri - age 4

"Love is when my mommy makes coffee for my daddy and she takes a sip before giving it to him, to make sure the taste is OK." Danny - age 8

"Love is what's in the room with you at Christmas if you stop opening presents and just listen." Bobby - age 7 (Wow!)

"If you want to learn to love better, you should start with a friend who you hate." Nikka - age 6 (we need a few million more Nikka's on this planet)

"Love is when you tell a guy you like his shirt, then he wears it every day." Noelle - age 7

"Love is like a little old woman and a little old man who are still friends even after they know each other so well." Tommy - age 6

"During my piano recital, I was on a stage and I was scared. I looked at all the people watching me and saw my daddy waving and smiling. He was the only one doing that. I wasn't scared anymore." Cindy - age 8

"My mommy loves me more than anybody. You don't see anyone else kissing me to sleep at night." Clare - age 6

"Love is when Mommy gives Daddy the best piece of chicken." Elaine - age 5

Continued on page 13

What does Love mean to 4-8 year old kids?

Continued from page 12

"Love is when Mommy sees Daddy smelly and sweaty and still says he is handsomer than Robert Redford." Chris - age 7

"Love is when your puppy licks your face even after you left him alone all day." Mary Ann - age 4

"I know my older sister loves me because she gives me all her old clothes and has to go out and buy new ones." Lauren - age 4

"When you love somebody, your eyelashes go up and down and little stars come out of you." (what an image!) Karen - age 7

"Love is when Mommy sees Daddy on the toilet and she doesn't think it's gross..." Mark - age 6

"You really shouldn't say 'I love you' unless you mean it. But if you mean it, you should say it a lot. People forget." Jessica - age 8

And the final one: The winner was a four year old child whose next door neighbor was an elderly gentleman who had recently lost his wife. Upon seeing the man cry, the little boy went into the old gentleman's yard, climbed onto his lap, and just sat there. When his mother asked what he had said to the neighbor, the little boy said, "Nothing, I just helped him cry."

A Happy Birthday for our Corresponding Secretary's husband Bob!

Elaine Grant's husband Bob celebrated his 90th birthday with son Chris, who turned 51, without fanfare during the pandemic. Bob is an avid tennis player and enjoys a weekly golf game.

Woman's Club Walks

Stone Estate in Marion

The Stone Estate property in Marion was the site of a lovely fall walk. The Property is open to the public Monday through Friday 9:00 -5:00.

Hurricane Dike in New Bedford

Despite a few raindrops, Erin Burlinson and Sue Mitchell walked the Hurricane Dike in New Bedford on October 12. They left from the entrance on East Rodney French Blvd and walked to the dike opening in NB Harbor. The walk was very pleasant with great views of New Bedford and Fairhaven. Along the way they "discovered" a small island in New Bedford Harbor called Palmers Island. The lighthouse there is remarkably similar to the lighthouse at Ned's Point with the addition of an osprey nest. The Island was walkable (especially at low tide) and was a pleasant side trip.

“Walk” to Ram Island

Apologies from our Editor: The story associated these photos was accidentally omitted in our last issue.

Left to right: Sandy Hering, Sue Mitchell, Elaine Botelho.

Ram Island can be seen in the far background between the heads of Sue and Elaine.

On Wednesday, September 16, three MWC members took the first inaugural “water walk” to Ram Island. These members were Sandy Herring (the original coordinator of the newly formed MWC Walking Club), Elaine Botelho (who regularly walks about 5 miles/day on dry land), and Sue Mitchell (who navigated the route from sandbar to sandbar).

Wearing old sneakers and towing a kayak (with 3 life vests tied to it), they set off from Antassawamock’s Main Beach and headed into Buzzards Bay on foot. Their destination? - a little island about a half mile offshore known as Ram Island. Several Antassawamock neighbors came out to cheer them on.

At low tide, the deepest part of the walk is usually about waist deep. Given the fact that none are very tall and it was a very windy day, a few waves made the trek a little deeper - about chest deep. At this point, Sue reassured the group “this is about as deep as it will get”. And yes, they did get wet and fell over a few times, but a good laugh quickly eased any anxieties.

Sandbars cover most of the sea floor en route to the island. Occasionally a few rocks or seaweed would trip them up, but overall it was walkable.

Ram Island, as you may know, is a 2 1/2 acre island located off Mattapoissett Neck. It is a bird sanctuary. The Island supports about 40% of the Mass. Roseate tern population. It is quite rocky and they were careful to stay in designated areas on the Island. The views of Buzzards Bay stretch east from the Bourne Bridge on the Cape to West Island in Fairhaven.

They stayed on the island for about 15 minutes, then ventured back before the tide started to roll in. After all, misjudging the tide would make the difference on whether they walked or swam the half mile back to shore. They arrived back at Main Beach, Antassawamock safe, but soaked. The entire walk took a little over an hour.

Will they do it again? Absolutely! Maybe next year you’ll join them. Save those old sneakers!

Woman's Club Walks

Tripp's Mill in Mattapoisett

On Monday, October 26 the Walking Club hiked from the area known as Tripp's Mill to the Woodcock Preserve in Mattapoisett. After a short walk to the pond at Tripp's Mill (off Acushnet Rd), we headed through a field, then into the Woodcock Preserve on a pleasant path through the woods. The path led to one of the largest vernal pools in the area. A bench there provides a tranquil spot for a brief rest. After that we headed back to Tripp's Mill. We all agreed that our Monday morning walks are good for our mental health - especially during this pandemic season. It gives us a chance to socialize (outside at a distance with masks) while also getting some exercise and fresh air.

Pictured below (left to right) are Barb VanInwegen, Erin Burlinson, Marianne Hickey, Alice Openshaw, Sherry Hoines, and Sandy Hering. (Not shown - Sue Mitchell).

The MWC Walking Club has been a **great way** to **get out** and **enjoy our local area.**

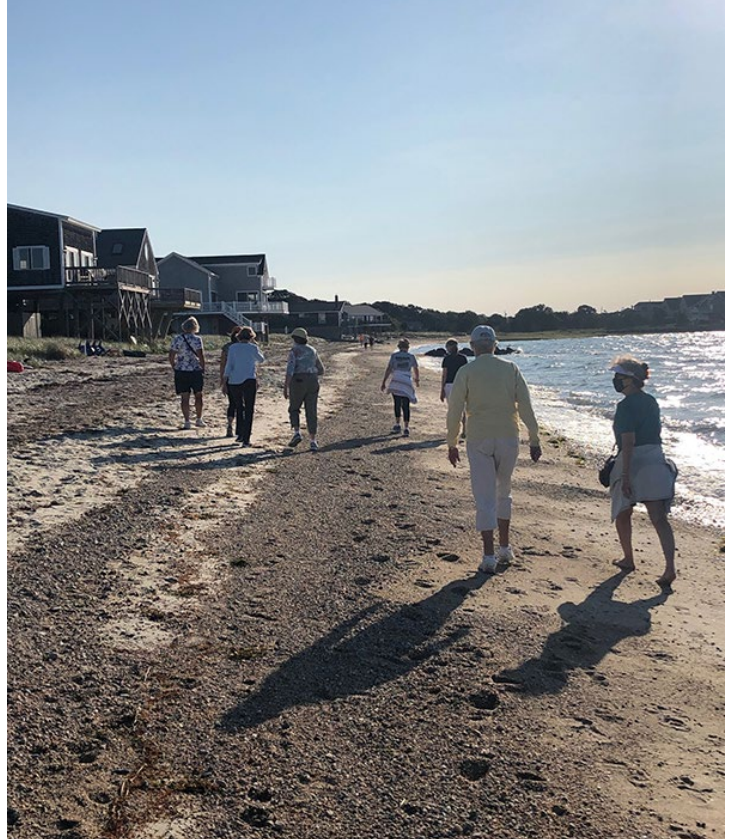

Anyone can join!

Walks are scheduled on Monday mornings at 9:00 am for an hour or two. No RSVP is necessary - just watch your emails or the [Mattapoisett Woman's Club Facebook Group](#) for the location of the next walk.

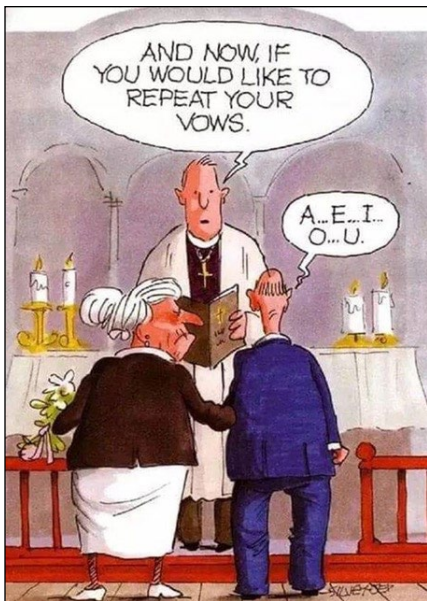

Woman's Club Walks

Beach hopping in Mattapoisett

The Woman's Club Walk was a beach walk from Winnatuxett Beach To Pico Beach and back. Lovely day!

Just for Laughs!

2020!

What a year of challenges we've all faced - Zoom meetings, FaceTime communications, virtual hugs, meetings in the great outdoors, and more email than ever! Cindy Turse reports a recent Zoom meeting with Hawai'i friends brought a flurry of emails to and from them, serious and silly. One of the emails contained photos of our volunteer group celebrating at high tea in Kailua, HI, following the 2016 election. We weren't celebrating the results of the national election with our tea, but the huge success of statewide online voting for students K-12 in public, private, charter, and home-schools.

Voting online for all students statewide has been the focus of our small, dedicated group - **"WeVoteHawaii"** - for several years, and 2016 was the first year the voting reached home-schooled students. In addition to voting for state and national candidates, students voted on student submitted ballot issues specifically for their own grade levels. They were able to view and vote on a ballot that looked just like an adult ballot. Most of the schools scheduled their classes to vote in the school library during the two weeks leading up to the election. Home-schooled students and absentees could vote by accessing a link anytime prior to Election Day. Statewide student results were posted online at 6PM on Election Day just as the real returns were being called out statewide on TV. A few student representatives were present in the state capitol building to be interviewed by the various commentators.

"WeVoteHawaii" was associated with **"Kids Voting USA"**, a national organization that appears to have only one chapter in our state, Stoughton.

<https://kidsvotingusa.org/affiliates-near-you/19-massachusetts/50-kids-voting-stoughton>

Is this an area where MWC could become involved? Is anyone else interested in exploring this further? It will take some effort leading to a launch two years from now, but it can be done. In Hawai'i our statewide volunteer force numbered 21, plus two tech support persons. We can start small with our state elections in two years at the elementary, junior high, and high school here. We can adapt most of the documents needed from those in my files, so none of them need to be created from scratch. The tech support should be available at ORR and the town level.

Elections happen every two years! We have an opportunity to make civics lessons real and in the process create habits that will continue, as students become responsible adults.

Here's an interesting article with some analysis of the student vote in Hawai'i - <https://www.civilbeat.org/2017/02/youth-election-offers-perspectives-for-2017-legislature/>
