PRESIDENT'S CORNER

Dear Club Members,

Well, this has been a real "humdinger" of two years! When everything shut down at the beginning of my term, I will admit to a bit of panic. No Garden Tour... No Taste of the Town...No Meetings...what will happen?

The unknown was the hardest part, so I outlined for myself several goals:

1. Figure out a new way to raise money
2. Retain the membership and recruit new members
3. Keep the Club together and united.

I never should have worried. This membership is truly dedicated to the Club. Everyone is willing to pitch in and solve dilemmas. The fundraising ideas came right away with a Virtual Pie Party, and then the creation of a new Taste of the Town Without a Tent. That is when I started to realize the Club was going to be okay. New ideas rolled in and soon we were selling notecards from our photos and daffodil bulbs to the community. Then, of course, the year was topped off with a super-successful Pop-Up Holiday Sale, and we all took a deep breath. We moved on with a Tag Sale and a Garden Tour which happened against all odds and Covid restrictions. We have continued these fundraising events and our treasury is solid.

Retaining, Uniting and Adding members was first enhanced by our new membership application. It is always present at our events and is a useful tool in attracting new members. The Website, Facebook and monthly publicity in the local papers have put our face out in the community with positive results. The Lighthouse became the perfect place in nice weather to pass out our bluebooks with cookies and a tea bag, to have a picnic, to count out bulbs and to join a popup event with bubble wands. The Garden Group continued to do plantings all over town; other groups met monthly over Zoom; walking groups began; Woman's Club "Elves" delivered holiday cards and fortune cookies to every member. (Boy, we all discovered new places in town!) We played Bingo on Zoom and won prizes. Then we were able to celebrate our 80th anniversary and see each other in a safe and enjoyable environment. (We loved that strawberry salad from On the Go.) Mattapoissett Trivia was a hit and we tried it again at the holiday party in December.

There were many other things that I could name that gave encouragement to all our efforts. Did I mention the addition of a Vice President was a true blessing?

A round of applause is due to all our officers and committee chairs. THANK YOU!!!! We have survived stronger and more united. We have over 20 new members and a strong slate of officers for 2022-2024.

Let me repeat the Joseph Campbell quote I used in one of the first Ladies Choice letters I wrote. It certainly sums up these two years for me.

WE MUST BE WILLING TO LET GO OF THE LIFE WE PLANNED TO HAVE THE LIFE THAT IS WAITING FOR US.

Stay well and safe.

MEET YOUR PRESIDENT-ELECT

I joined the Mattapoisett Woman's Club as a walk-on, coming to the September pot luck kick-off meeting in 2007. I knew almost no one, except the lovely ladies who were tidying the Post Office window boxes, Blanche Perry and Lorraine Rodrigues, who suggested I come to the meeting so that I could join the Garden Group. The rest is history; I have loved being a part of this club and meeting most of you, sharing similar interests and goals and learning about new ones. As I was working from my house in 2007, the monthly luncheons were a great break for me, allowing me to get off my phone and computer and be face to face with real people, something which we now know is precious.

My husband and I moved to Mattapoisett when both of our daughters were in college. We wanted to live by the sea, and fell in love with this special town and have never regretted it. Don is a sailor and we have enjoyed many days and nights on our sailboat, Harbinger. Our daughters live not too far away, one in Providence and the other on Long Island and they now love coming to Mattapoisett, especially in the summer, to enjoy many great and relaxing times.

My interest in the Garden Group is due to my love of plants, which spurred me to major in Horticulture when I attended the University of Wisconsin. For many years I ran the Floral departments at supermarket companies, first Star Market and then Stop & Shop. It was a career that I loved and continued to motivate me to volunteer as I began to retire, first with the Town Sesquicentennial Planting Group, the MWC Garden Group, the Mattapoisett Land Trust, and the Mattapoisett Tree Committee. I think that just about covers all the organizations in town dealing with greenery.

I am looking forward to serving as your next President of our Woman's Club. It's not that I want to be the boss, it's that I want this wonderful organization to continue our mission of Civic, Social, Philanthropic and Educational ways to impact our members and the Town. It truly amazes me how our group accomplishes so much, fundraises so successfully, and does so in such a fun way that we are a great social network for our members, even during a pandemic! The fact that our Club managed to gain new members during the pandemic says a lot about who we are and how important our Club is to members, both new and long term. I look forward to working and playing with all of you in the future.

Best regards,
Sandy Hering

Special April Luncheon Presentation: Sheryl Faye as Ruth Bader Ginsberg

Our April luncheon meeting will feature a special program presentation by Sheryl Faye. The article below is directly from her website. Our program will begin promptly at 11:15 so please be early.

RUTH BADER GINSBURG – “I DISSENT”

Ruth Bader Ginsburg was an American lawyer and jurist who served as an associate justice of the Supreme Court of the United States from 1993 until her death in September 2020. She was the second woman and the first Jewish woman ever appointed to the Court and became the longest serving Jewish Justice.

She championed fairness and equality and objected to different expectations for men and women, prejudice against minority groups in places like hotels and restaurants, and women having fewer job opportunities than men. Ruth served on the national board of the ACLU (American Civil Liberties Union) and launched The Women’s Rights Project, she continued to be a leading voice for gender equality, women’s interests, and civil rights and liberties.

Ruth Bader Ginsburg’s life continues to be one of achievement: as a lawyer, professor of law, a judge, and then a Supreme Court justice, she stands out because she was not afraid to dissent, disapprove, and disagree with conditions of unfairness and inequality. This show is the inspiring story of how she changed her life—and ours.

“Fight for the things that you care about, but do it in a way that will lead others to join you.”

~ Ruth Bader Ginsburg

Sheryl Faye as Ruth Bader Ginsburg

Lace, Justice, and Ruth - What do these all have in common?

They are memories of Ruth Bader Ginsburg,
US Supreme Court Justice from 1993 to 2020.

To celebrate our upcoming performance by Sheryl Faye portraying Ruth Bader Ginsburg on April 20, we have ordered lace collars which we plan to sell for \$5.00 each.

Ginsburg (or “RBG” as she is well known) wore a lace collar as part of her judicial robe. She and Sandra Day O’Connor decided that if men could have an official wardrobe for the court such as a shirt and tie worn under their robes, then women should also have a look of their own. To feminize the robe, she chose a lace collar and was known for her various collars throughout her career.

If you would like to wear a lace collar as part of your “official attire” at the April performance, we will be selling them for 5\$ each. You can contact **Sue Mitchell at 508-758-6050** or email mitchellrus@yahoo.com if you would like to order one.

March Luncheon

On March 17, Sandy Herring and her able crew prepared an attractive and delicious luncheon. See Caroline Marcoux's popular Bok Choy Salad recipe on page 13. Club member Robin Lepore, member of the Bike Path Committee, presented a very detailed account of the successes and hurdles yet to be faced at local, state and federal boards, committees and agencies. Funding at town meeting is crucial for this years-long project. She was gratified to see not only bikers, but walkers, runners, skateboarders and nature lovers enjoying the completed sections.

Daffodil Daze: Some Fun for Spring Break Week

Beginning Tuesday, April 19, families can pick up a map of pictures showing where daffodil groupings bloom that have been planted around town by the garden group the last few years. At each location around town there will be a numbered sign in the shape of a daffodil flower head that is visible from a car or, where possible, visible while walking (such as at the wharf). The goal will be to put the correct number next to the picture and location on the map. When the map is complete, it can be turned in to the children's library staff for a "prize" (packaged make-at home, simple craft). Thursday, Friday and Saturday of that week there will be a table set aside in the Children's section where one or two daffodil projects can be done (glue, construction paper, crayons, etc.) The library will also have a display of gardening/flower/daffodil books.

The Friends of the Library have indicated they will match the amount the Woman's Club or individuals give to the library for this project. The Club was happy to donate \$50. Thank you to all who have given a personal donation to the library for children's books on the environment, gardening, flowers, vegetables, composting, etc. Here is the list the library gave us of books they would like. If you have a favorite book and want to make a donation, please designate the book you'd like the library to purchase and drop off your check at the library. The amount in parentheses is the cost to the library.

GROUPS SCHEDULES & INFORMATION

Literature Group

Wednesday, April, 9:30 am

The Literature Group will gather on Wednesday, April 13, 9:30 am, at the home of Sherry Hoines, 150 North Street, 508-971-1847. The selection for this month is *"Shuggie Bain"* by Douglas Stuart. The May selection is *"Born A Crime"* by Trevor Noah and the gathering will take place on May 11, 9:30, at the home of Cindy Turse. We look forward to seeing everyone!

~ Linda Clifford trying to substitute for Peg Olney!

Shuggie Bain is the unforgettable story of young Hugh "Shuggie" Bain, a sweet and lonely boy who spends his 1980's childhood in run down public housing in Glasgow, Scotland. Thatcher's policies have put husbands and sons out of work and the city's notorious drugs epidemic is waiting in the wings.

Shuggie's mother Agnes walks a wayward path: she is Shuggie's guiding light but a burden for him and his siblings. She dreams of a house with its own front door while she flicks through the pages of the Freemans catalogue, ordering a little happiness on credit, anything to brighten up her grey life. Agnes's older children find their own ways to get a safe distance from their mother, abandoning Shuggie to care for her as she swings between alcoholic binges and sobriety.

A heartbreaking story of addiction, sexuality and love, Shuggie Bain is an epic portrayal of a working-class family that is rarely seen in fiction. Recalling the work of Edouard Louis, Alan Hollinghurst, Frank McCourt and Hanya Yanagihara, it is a blistering debut by a brilliant novelist who has a powerful and important story to tell.

Garden Group

Wednesday, April 6, 10am

The Garden Group will meet on Wednesday, April 6th at 10 AM in the Library Conference Room. This will be a meeting to discuss many upcoming events and activities, which will be upon us just as soon as the weather warms up, so your participation is needed to vote on these activities. Plus, it's nice to get together to see friends that we may not have seen all winter.

The highlight of March was a trip to the Lyman Greenhouses for Camellia Days, followed by a trip to Russell's Garden Center. We look forward to expanding our trips as Covid becomes less of an issue.

Making Our Support Visible

Special thanks to Sharon Doyon for leading the transformation of the Post Office window boxes into a colorful display featuring flags of Ukraine and sunflowers. We have received so many positive comments on the display, including a donation to add to our Club's \$800 donation to the World Central Kitchen. Huge thanks go to Morgan Browning's dad, John, who made a donation because his daughter is a member of our Club, as well as a former scholarship recipient. We will keep the them going as we plant yellow and blue pansies in the near future, so look for more news in your e-mail about planting.

See SippicanWeek's front page featured a photo of our workers at the Post Office, with a write up and more photos on page 12.

Blue and yellow brighten window boxes in support of Ukraine

By Sandy Quadros Bowles

MATTAPOISETT — A sea of blue and yellow decorates the window boxes at the Mattapoisett Post Office in a show of support for the people of Ukraine, thanks to an effort by the Mattapoisett Woman's Club.

The window box design, which also features sunflowers, was created by club member Sharon Doyan.

The flags were planted Friday, March 18 by the club members, who reported that passersby expressed thanks for the effort. At the club luncheon on March 17, club members donated \$500 to World Central Kitchen for Ukraine.

The organization feeds refugees as they cross the border into Poland, Moldova, Romania, and Hungary. World Central Kitchen has also taken food and supplies to Odessa.

THE JUBILEE SONG

Submitted by Carole Clifford

Sung to the tune of "Battle Hymn of the Republic," this song was written by the Rev. C. Julian Tuthill in 1907. This version was printed in the Town's 75th anniversary pageant program. It has been included in several Town celebrations:

THE JUBILEE SONG, MATTAPOISETT, MASS.

*My soul delights to journey to a place beside the sea,
Where the Father in his goodness made a home for you and me:
A home of love and beauty in the dear land of the free,
The land of hope and joy,*

CHORUS

*Hail thee, ever, Mattapoissett!
Fair of climate, Mattapoissett! Blest thy shores,
O Mattapoissett!
God made thee "PLACE OF REST."*

*The summer time is calling to the land upon the bay,
And the breezes seek to find me, so I cannot stay away:
The sun sets on the harbor and all nature is so gay
My hear must join the Song:*

Repeat CHORUS

*'Tis moonlight from the Herring Weir on to the Ned's Point Light:
Old King Phillip's spring is flowing 'neath the quiet starry night.
The town is sleeping softly under angels' watchful sight;
Such blessings I would share.*

Repeat CHORUS

*My soul must some day journey at the ebbing of the tide,
To the port of many mansions dazzling on the other side:
At evening time a glorious light and I shall e'er abide
In yonder Place of Rest.*

Repeat CHORUS
